37th Year

W

orkshop Curriculum

- ◆ 2023 Cardiology CPT Coding Updates.
- ◆ Cardiology procedure Documentation
- ◆ Fraud & Abuse, making sure you are compliant.
- ◆ ICD-10-CM practical tips
- ◆ Evaluation and Management Coding for Cardiology
- ◆ What parts of procedures are "bundled" and what can be added-on
- ◆ Mastering CPT and HCPCS modifiers is essential for proper reimbursement
- ◆ Learn techniques to paint an accurate picture of medical necessity
- ◆ E/M documentation rules change! We'll update you for 2023.

C

ardiology Workshop Highlights

- ◆ How to bill for "branches" when coding for interventions. Who pays and who doesn't?
- ◆ Coding from procedures notes & reports
- ◆ Appealing denied claims
- ◆ Electrophysiology and device implant update
- ◆ Proper coding & documentation for echocardiograms w/Doppler and color flow scans
- ◆ Defibrillator and pacemaker monitoring - telephone and in office - single, dual or multiple lead follow-up guidelines
- ◆ Complete coding for heart catheterizations done at the same session as intervention - what to charge and what not to charge

A

dditional topics to be discussed

- ◆ Audits and reviews forms
- ◆ Using the Correct Coding Initiative
- ◆ Are you properly coding for "peri-procedural" device programming?
- ◆ The latest on "non-selective" cath placement rules - guidelines, revisions
- ◆ How to code combination procedures - heart cath and peripheral at same setting
- ◆ Supervision Guidelines: Medicare's chapter-verse

Handle Special Cardiology Situations

- ◆ How 2023 ICD-10-CM Diagnosis code changes impact Cardiology
- ◆ Coding Emergency Procedure after a Consultation
- ◆ Working with Advanced Practice Providers (NPs/PAs) in the office and hospital
- ◆ Self-Auditing your practice

About Your Seminar Leader . . .

Rhonda Granja, B.S., C.P.C., C.M.A. is an administrator, coder, biller and management consultant with 24 years of successful work in varied healthcare practices. From Medicare "Part B" side, administrator in private practice, "fighting it out" with insurances, consulting with varied specialties on-site, and active membership in AAPC & MGMA in support of fellow office managers, she has a rich background. From a practice consulting business to continuing on-site management, Rhonda's experience is unique and comprehensive. Attendees, or consulting clients, have the opportunity of learning solutions to their insurance problems from "real world" experience, both in Rhonda's instruction and the "on-site networking" in our specialty only workshops. Ms. Granja is committed to assisting medicine oriented specialty practices in taking charge; to stop being "controlled" by patients, insurance companies, managed care and governmental agencies. Please join with your fellow Medical Specialty offices for her unique seminar day discovering solutions together.

**Special Section: We will bring you all of the
2023 changes and updates.**

WE PROVIDE ANSWERS

- Are you coding heart cath with interventions correctly? How about heart procedures with peripheral procedures?
- Correct coding for trans-catheter valve replacement/repair procedures..
- How "routine" testing could cost your practice \$\$\$ in payment reductions.
- Medicare rules for billing nuclear stress testing.
- Beware of EHR software prompts that encourage you to improperly code higher visit levels.
- CMS/AMA CPT are making changes to the documentation guidelines in 2021. We'll update you for 2023.

The McVey Guarantee

We unconditionally guarantee your full tuition for up to one year. After attending, if you did not feel the investment worthwhile, please write to us with your comments. We believe in the value of our seminars and services - and we think you will too!
