- ◆ Using the Correct Coding Initiative
- ◆ Are you properly coding for "peri-procedural" device programming?
- ◆ The latest on "non-selective" cath placement rules - guidelines, revisions
- ◆ How to code combination procedures - heart cath and peripheral at same setting
- ◆ Supervision Guidelines: Medicare's chapter-verse
- ◆ Major changes to Hospital Inpatient/Observation visit coding; discharge coding and Emergency Room Visit Coding on 1/1/2023
- ◆ Advanced Practice Provider billing updates

H

andle Special Cardiology Situations

- ◆ How 2023 ICD-10-CM Diagnosis code changes impact Cardiology
- ◆ Coding Emergency Procedure after a Consultation
- ◆ Working with Advanced Practice Providers (NPs/PAs) in the office and hospital
- ◆ Self-Auditing your practice

About Your Seminar Leader . . .

Rhonda Granja, B.S., C.P.C., C.M.A. is an administrator, coder, biller and management consultant with 15 years of successful work in varied healthcare practices. From Medicare "Part B" side, administrator in private practice, "fighting it out" with insurances, consulting with varied specialties on-site, and active membership in AAPC & MGMA in support of fellow office managers, she has a rich background. From a practice consulting business to continuing on-site management, Rhonda's experience is unique and comprehensive. Attendees, or consulting clients, have the opportunity of learning solutions to their insurance problems from "real world" experience, both in Rhonda's instruction and the "on-site networking" in our specialty only workshops. Ms. Granja is committed to assisting medicine oriented specialty practices in taking charge; to stop being "controlled" by patients, insurance companies, managed care and governmental agencies. Please join with your fellow Medical Specialty offices for her unique seminar day discovering solutions together.

Special Section: We will bring you all of the 2023 changes and updates.

R

egistration Form

~~ACT-NOW!~~

We are registering _____ person(s) for The 2 day Coding Course. We will receive a workbook, all materials & refreshments. Fees are: \$600.00 first person, \$575.00 each additional person.

Confirm by return fax.

Recordings

Can't attend?
Send recording on DVD or USB of this topic. Price \$575.00. (materials will arrive 1 week after order is received.)

E PROVIDE ANSWERS

- Are you coding heart cath with interventions correctly? How about heart procedures with peripheral procedures?
- Correct coding for trans-catheter valve replacement/repair procedures..
- How "routine" testing could cost your practice \$\$\$ in payment reductions.
- Medicare rules for billing nuclear stress testing.
- Beware of EHR software prompts that encourage you to improperly code higher visit levels.
- CMS/AMA CPT made changes to the documentation guidelines for 2021, any in 2023? Find out the latest.

The McVey Guarantee

We unconditionally guarantee your full tuition for up to one year. After attending, if you did not feel the investment worthwhile, please write to us with your comments. We believe in the value of our seminars and services - and we think you will too!
