### How a Webinar Seminar Works:

1. Register by fax, mail or online. Cost is \$199 per one of the following options - landline, computer or Ipad.
2. The audio/video portion for this course can be heard via landline, mobile or web browser.
3. You'll receive Dial-in access or Computer link, and materials the day before the program via email.

**"One phone line or link per registration. Additional connections subject to additional registration fee of \$99 a person."**

**WHAT IS MY PRACTICE IMPACT?**

- Can we bill Telehealth for giving test results after an in-person visit?
- Is the physician still allowed to be at home for a Telehealth visit IN 2024?
- What other medical providers are allowed to report Telehealth Services?
- What POS and Modifiers are appropriate for Telehealth in 2024? CMS said there was a change.
- What if the connections starts as an audio and video visit but ends as audio only due to disconnection of video? Is there still something to bill?
- The OCR says that all Telehealth platforms MUST be HIPAA compliant as of August of last year, have you updated your platforms?
- What about Virtual Supervision in 2024? Does that still exist?
