### Learn Pediatric Coding Techniques Through Workable Examples!

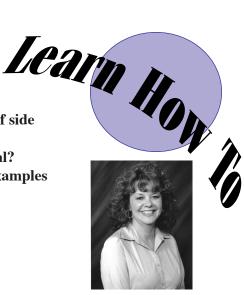

- We will define primary care. Simple right?
- Be able to recall common diagnoses associated with primary care in the pediatric setting.
- Look at common immunization codes used for pediatrics along with the administration of these services.
- Recall guidelines for E/M services in addition to minor and major procedures.
- What about preventive services in the same session as sick/problem visits.
- Look at G2211 (New for 2024).

#### **How a Webinar Seminar Works:**

- 3. You'll receive Dial-in access, and materials a few days before the program.

#### **HANDLE SPECIAL PEDIATRIC CODING SITUATIONS**

- We will look at what conditions are classified as acute, chronic and even preventive.
- We will define the "complexity of problems addressed".
- What about a chronic illness with exacerbation and progression of side effects. We will explain.
- Sick visits at the time of preventive services. Why is this a big deal?
- **■** Examining modifier 25 and the usage. We will provide real life examples for demonstration.
- **■** Immunization tips and tools will be provided.

**A**bout your seminar leader:

Rhonda Granja, B.S., C.P.C., C.M.A. is an administrator, coder, biller and management consultant with 20 years of successful work in varied healthcare practices. From Medicare "Part B" side, administrator in private practice, "fighting it out" with insurances, consulting with varied specialties on-site, and active membership in AAPC & MGMA in support of fellow office managers, she has a rich background. From a practice consulting business to continuing on-site management, Rhonda's experience is unique and comprehensive. Attendees, or consulting clients, have the opportunity of learning solutions to their insurance problems from "real world" experience, both in Rhonda's instruction and the "on-site networking" in our specialty only workshops. Ms. Granja is committed to assisting medicine oriented specialty practices in taking charge; to stop being "controlled" by patients, insurance companies, managed care and governmental agencies. Please join with your fellow Medical Specialty offices for her unique seminar day discovering solutions together.

You can register on-line! Visit www.mcveyseminars.com & click on "Live Webinars" on the left hand side where Specialty/Topic is listed. You may also fax registration form with credit card to: (415)892-1271.
