### About Your Seminar Leader . . .

**Rhonda Granja, B.S., C.P.C., C.M.A.** is an administrator, coder, biller and management consultant with 24 years of successful work in varied healthcare practices. From Medicare "Part B" side, administrator in private practice, "fighting it out" with insurances, consulting with varied specialties on-site, and active membership in AAPC & MGMA in support of fellow office managers, she has a rich background. From a practice consulting business to continuing on-site management, Rhonda's experience is unique and comprehensive. Attendees, or consulting clients, have the opportunity of learning solutions to their insurance problems from "real world" experience, both in Rhonda's instruction and the "on-site networking" in our specialty only workshops. Ms. Granja is committed to assisting medicine oriented specialty practices in taking charge; to stop being "controlled" by patients, insurance companies, managed care and governmental agencies. Please join with your fellow Medical Specialty offices for her unique seminar day discovering solutions together.

**Special Section: We will bring you all of the 2025 changes and updates.**
