Seminar Highlights

W

orkshop Curriculum

- 2025 Gastroenterology Specific Coding Update.
- Screening Vs. Diagnostic Colonoscopy - The Neverending Issue.
- Auditing Best Practices.
- Evaluation and Management - Is there still confusion over the 2021 E&M Medical Decision Making Guidelines? We will help sort through the changes as it pertains to Gastroenterology.
- Dealing with Anesthesia - Are comorbidities & risk factors listed to support the need for MAC?
- Upper GI Endoscopy is the focus of medical necessity requirements by most commercial payers in 2019. Are your providers aware of these changes?
- Diagnostic Tests - make sure documentation components are met.
- Documentation requirements for billing Conscious Sedation Services by your GI providers.
- Coding from Endoscopy Reports.
- The impact on HCC, ICD-10-CM & specificity.
- Tips from your local Medicare contractors on E&M services.
- Discuss electronic record issues with the copy / paste function and improper template use.

G

astroenterology Workshop Highlights

- Keeping up with trends and payer policies.
- Appropriate Documentation for Infusion Services.
- Interactive Discussion of Case Studies (Endoscopy and E&M Services)
- Screening endoscopy overview - Commercial versus Medicare.
- Snare & saline lift verses EMR versus EMD - what is the difference?
- Utilizing the Medicare Multiple endoscopy policy vs. commercial policies.
- Don't just write it off! Adjudicating Denied Claims - know your denial reasons & your best approach to adjudicate.
- Appropriate use of Correct Coding Initiative edits and CCI policies to assure clean claim submission.
- Navigating an ERCP report: appropriate reporting of Stents, Stones & Sphincterotomies.

A

dditional topics to be discussed

- Audit and review forms for Endoscopy, Evaluation & Management, Pathology, Anesthesia, Diagnostic studies.
- Advanced Endoscopy procedures - tips for billing these unlisted procedures.
- ERCP billing.
- APP (Advanced Practice Provider) Billing Guidelines.

- Kathleen A. Mueller, RN, CPC, CCS-P, CMGC, CMSCS, PCS, CCC, is a national consultant with over 35 years' experience in healthcare. This includes ICU/CCU nursing, physician office administration, GI claims submission and adjudication, plus seminar instruction, practice evaluations, compliance reviews and on-site consulting work in hundreds of offices. Mrs. Mueller is the President of AskMueller Consulting, LLC, as well as a nationally recognized speaker and author of many multi-specialty medical and surgical coding workbooks with a special emphasis on Gastroenterology. She has lectured at several Gastroenterology Outlook (GO) and GI Coding courses for the AGA, and ASGE. Her company which is staffed by all certified coders with gastroenterology specific credentials is also contracted with ASGE to support the coding hotline. She has also been a lecturer for other organizations such as the North American Society for Pediatric Gastroenterology and Nutrition (NASPGHAN), ACG, and presented multiple times at Digestive Disease Week (DDW). Kathy is an Editor of the ASGE Gastroenterology Coding Primer and also writes a coding column for ASGE and NASPGHAN.

Kristin Vaughn, CPC, QMGC, CPMA, ICDCT-CM, CMSCS, is a national consultant with over 15 years of coding and billing experience. This includes Gastroenterology, Pulmonary, Critical Care, Immunology/ Rheumatology, Hematology, and Hospitalist specialties in a teaching university environment plus seminar instruction and on-site consulting. She currently is a full time consultant/trainer with AskMueller Consulting, LLC. Her presentations have included organizations such as AGA and ASGE. She is a Certified Profession Medical Auditor and Certified ICD-10 trainer. She is one of the contributing authors of the ASGE Coding Primer and a co-author of several workbooks and programs specific to Gastroenterology.

WE PROVIDE ANSWERS

- The USPTF finally revised the Average Risk Screening Policy. How does this impact our practices?
- Updates on the current issues that RACs, OIG, CERT and Individual Payer Auditors are looking at in Gastroenterology Practices.
- Should we use the indications or findings as the primary diagnosis for a procedure?
- Under what circumstances will Medicare pay us for a visit on the same day as a procedure?
- Have the "X" modifiers replaced modifier 59?
- If a patient is eligible for colon screening & has symptoms, is it screening or diagnostic?
- Do Anesthesia claims also require modifier 33 or PT to trigger preventive benefits?
- The American Cancer Society revised Colon Screening Criteria. How does this impact our practices?

The McVey Guarantee

We unconditionally guarantee your full tuition for up to one year. After attending, if you did not feel the investment worthwhile, please write to us with your comments. We believe in the value of our seminars and services - and we think you will too!
