How a Webinar Seminar Works:

1. Register by fax, mail or online. Cost is \$189 per one of the following options - landline, computer or Ipad.
2. The audio/video portion for this course can be heard via landline, mobile or web browser.
3. You'll receive Dial-in access or Computer link, and materials the day before the program via email.

"One phone line or link per registration. Additional connections subject to additional registration fee of \$99 a person."

WHAT IS MY PRACTICE IMPACT?

- Can we bill Telehealth audio only for giving test results after an in-person visit?
- Is the **physician** allowed to be at home for a Telehealth visit in 2025?
- What other medical providers are allowed to report Telehealth Services?
- What POS and Modifiers are appropriate for Telehealth in 2025?
- What if the connections starts as an audio and video visit but ends as audio only due to disconnection of video? Is there still something to bill?
- The OCR says that all Telehealth platforms **MUST** be HIPAA compliant. Have you stopped using facetime?
- Originating and Distant site rules will be reverting back to pre-PHE regulation on 10-1-2025.
- What about Behavioral Health services? Will they stay permanent?
