

Coding & Billing Teleconferences/Webinars 2023/2024 (Save up to \$335)

To our Valued Customers:

McVey Seminars wanted to offer you a special "deal." It is our way of saying thank you for the on-going support and participation. Out of all of our different teleconferences & webinars, you can select to pre-register for any 6 of them in a year and save money. (price ranges for this package is \$199 to \$285 for the course) some courses are more expensive, and you can use two of the pick 6's to attend those ones.

Attendees of our on-site one, one day trainings, often express the desire for an update to the constant coding and billing changes.

So, we are pleased that our Seminar Leaders have agreed to provide these updated teleconferences & webinars for the most in-depth form of passing along their knowledge of how to do it *right* with the newest changes.

One of the great benefits of our teleconferences/webinars is the invaluable question and answer period to address your specific coding issues. This is something a book alone cannot offer.

All our seminars are backed by the McVey 100% satisfaction guarantee. With 33 years of experience, we are confident that our specialist has the knowledge and approach to meet your coding and reimbursement needs.

Please read over the attached offer to view the details of our special offer.

If you have any questions about the teleconferences, please feel free to call us at 1-800-227-7888.

Thank you,

McVey Seminars
